HOW TO ORDER

Ordering your custom DYO Gameday gear is made easy with only a few steps. Represent your Club, Team, School or Business in style with our fully customisable colour and design options. With our Online Kit Builder, you can see exactly how your unique design will look. Start designing now at codesport.co.nz.
Your team. Your colours.

STEP 1

Pick your style

Choose your sport CODE and style.

STEP 2

Choose your Studio Design

Each style has various Studio Designs to choose from.

STEP 3

Colour it

Colour up your chosen Studio Design with your colours. Don't see the colours you want or a Studio Design you like? Send us your artwork/logo and we can customise a design for your Team. Note some custom services may incur an extra fee. Talk to your Account Manager for more details.

STEP 4

Advise the quantity and sizes required per style

Refer to the size guide provided or ask your Account Manager for more details.

Don't forget to kit out your subs, team managers and supporters! Minimum order is 10 units of each style.

STEP 5

We will email you a Quote/Order Confirmation

Please review all details carefully to ensure the product, sizes, quantity and artwork/ logo details are correct. Need to make a change? It happens. Please contact your Account Manager within 24 hours.

STEP 6

Approve your customised artwork proof

Although we make every effort to provide an error free product, your cooperation is required as well.

The proof is submitted to you to ensure the accuracy (size, position, colour) of your artwork/logo.

You, the customer, are responsible for ensuring the complete accuracy of this proof. Upon approving the proof you will be committing to purchase the goods so please check carefully. Once approved - leave the rest to us! We will advise when you can expect to see your order.

BASKETBALL SINGLETS

STEP 1

Pick your style

G1140M | ULTIMATE BASKETBALL SINGLET

Fabric | Main 145gsm Polyester Interlock, Contrast 180gsm Spandex Mesh
Mens sizes | XS - 4XL

PRODUCT DETAIL

A modern fit singlet which features a hybrid of fabrics. The main polyester interlock fabric is lightweight to play in and the contrast mesh back panel adds ventilation. The neckline is a two piece round collar. The armhole and body hem are twin needle stitched for extra durability.

TWO FABRIC OPTIONS AVAILABLE IN THIS STYLE

G1150M | BEYOND BASKETBALL SINGLET

G1150K | KIDS BEYOND BASKETBALL SINGLET
