

GAMEDAY
CRICKET CATALOGUE

HOW TO ORDER

Ordering your custom DYO Gameday gear is made easy with only a few steps. Represent your Club, Team, School or Business in style with our fully customisable colour and design options. With our Online Kit Builder, you can see exactly how your unique design will look. Start designing now at codesport.co.nz.
Your team. Your colours.

STEP 1

Pick your style

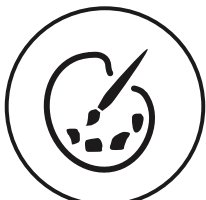

Choose your sport CODE and style.

STEP 2

Choose your Studio Design

Each style has various Studio Designs to choose from.

STEP 3

Colour it

Colour up your chosen Studio Design with your colours. Don't see the colours you want or a Studio Design you like? Send us your artwork/logo and we can customise a design for your Team. Note some custom services may incur an extra fee. Talk to your Account Manager for more details.

STEP 4

Advise the quantity and sizes required per style

Refer to the size guide provided or ask your Account Manager for more details.

Don't forget to kit out your subs, team managers and supporters! Minimum order is 10 units of each style.

STEP 5

We will email you a Quote/Order Confirmation

Please review all details carefully to ensure the product, sizes, quantity and artwork/ logo details are correct. Need to make a change? It happens. Please contact your Account Manager within 24 hours.

STEP 6

Approve your customised artwork proof

Although we make every effort to provide an error free product, your cooperation is required as well.

The proof is submitted to you to ensure the accuracy (size, position, colour) of your artwork/logo.

You, the customer, are responsible for ensuring the complete accuracy of this proof. Upon approving the proof you will be committing to purchase the goods so please check carefully. Once approved - leave the rest to us! We will advise when you can expect to see your order.

CRICKET TOPS

STEP 1

Pick your style

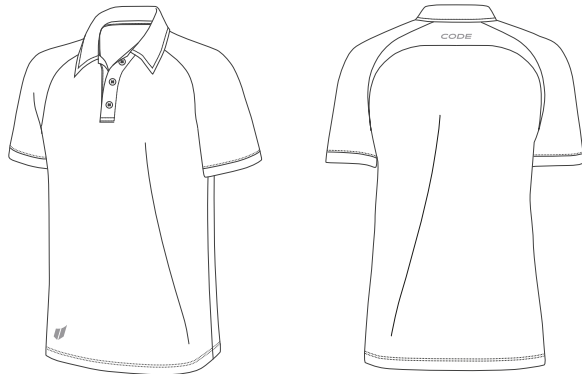

G3100M | ULTIMATE CRICKET POLO

Fabric | Main 200gsm Polyester Interlock, Contrast 180gsm Pinhole
Mens sizes | XS - 4XL

PRODUCT DETAIL

The Ultimate polo has a modern fit with hybrid fabrics. The main polyester interlock is light and comfortable to wear whilst still strong and robust. The contrast upper back panel is a contrast pinhole mesh offering further ventilation. It is a raglan sleeve style with a self fabric collar. Rubber buttons feature on the collar placket. The body and sleeve hems are finished with twin needling for durability.

TWO FABRIC OPTIONS AVAILABLE IN THIS STYLE

G3110M | DNA CRICKET POLO

G3110K | KIDS DNA CRICKET POLO

Fabric | Main 200gsm Polyester Interlock
Mens sizes | XS - 4XL
Kids sizes | K6 - K14

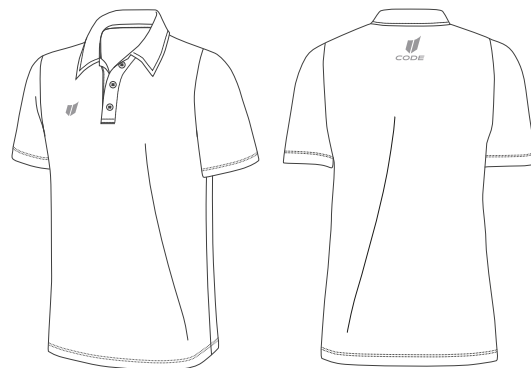

G3111M | FOCUS CRICKET POLO

G3111K | KIDS FOCUS CRICKET POLO

Fabric | Main 165gsm Polyester Birdseye Mesh
Mens sizes | XS - 4XL
Kids sizes | K6 - K14

PRODUCT DETAIL

This regular modern fit is available in two varying fabric weight options. It is a set-in sleeve style with a self fabric collar. Rubber buttons feature on the collar placket - choose from Black, White, Navy, Red, Gold, or Royal buttons depending on your design. The body and sleeve hems are finished with twin needling for added durability.

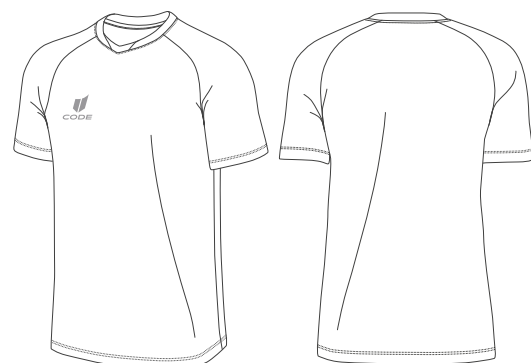

G2150M | ULTIMATE CRICKET TOP

G2150K | KIDS ULTIMATE CRICKET TOP

Fabric | Main 200gsm Polyester Interlock, Contrast 180gsm Pinhole
Mens sizes | XS - 4XL
Kids sizes | K6 - K14

PRODUCT DETAIL

A modern fit tee with a raglan sleeve which features a hybrid of fabrics. The main polyester interlock fabric is lightweight to play in and the contrast mesh panels at the top back and raglan sleeve help aid ventilation. The neckline is a two piece round collar. The sleeve and body hem are twin needle stitched for extra durability.

CRICKET PANTS

G7100M | ULTIMATE CRICKET PANT

G7100K | ULTIMATE KIDS CRICKET PANT

Fabric | Main 270gsm Polyester Interlock, Contrast 180gsm Pinhole

Mens sizes | XS - 4XL

Kids sizes | K6 - K14

PRODUCT DETAIL

A modern fit hybrid cricket pant that features an upper back panel in a contrast pinhole fabric. The reinforced stitching ensures longevity. The internal waist is finished with a custom CODE elastic band which sits flush against the skin. An internal waist draw-cord accommodates an adjustable fit.

Note, the CODE Ultimate cricket pant comes hemmed. Refer to the garment size chart for the finished length.

G7110M | DNA CRICKET PANT

G7110K | KIDS DNA CRICKET PANT

Fabric | Main 270gsm Polyester Interlock

Mens sizes | XS - 4XL

Kids sizes | K6 - K14

PRODUCT DETAIL

A modern fit cricket pant that has limited panels so you can create a unique look for your team. The reinforced stitching ensures longevity. The internal waist is finished with a custom CODE elastic band which sits flush against the skin. An internal waist draw-cord accommodates an adjustable fit.

Note, the CODE DNA cricket pant comes hemmed. Refer to the garment size chart for the finished length.
