

4 March 2026

Kia ora Te Kamo High School whānau,

Thank you for your patience and understanding as NZ Uniforms has worked through the transition to become the new supplier of the Te Kamo High School uniform. The unexpected liquidation of the previous supplier meant there was very little time to prepare stock for our community, and we acknowledge the challenges this has created.

A few key updates to help keep everyone informed:

- Stock shortages

The school is aware that some items are currently out of stock. Students may continue to wear plain black lower garments if they are unable to purchase the correct items from NZ Uniforms at this time.

- Long black skirt

The long black skirt is a new style. It is a popular option across NZ Uniforms' schools and will be the standard skirt going forward.

- le Faitaga

The le Faitaga is currently in development. An estimated arrival date will be shared once the design has been finalised and approved.

- Old stock secured

We are pleased to share some good news: NZ Uniforms has recently been able to secure a portion of the old uniform stock from the liquidator. This means we will be able to fulfil a number of back orders in the coming days. These items will be from the previous skirt and shorts styles.

We truly appreciate your patience and support as we work through this transition. It has been an exciting but challenging changeover, and we are committed to ensuring the school community is well supported throughout the process.

Ngā mihi nui,

Natasha McColl
